Let me start by saying that this hotel truly exceeded my expectations! From the moment I walked into the **clean and spacious rooms**, I knew I was in for a delightful stay. The attention to detail in the room decor was impressive, with a touch of romance that perfectly suited couples looking for a romantic getaway.

The real standout at Mayfair House Hotel & Garden though is the **helpful and responsive staff**. They go above and beyond to ensure that your every need is met, offering fantastic recommendations for restaurants, attractions, and even helping with reservations. They truly made me feel like a VIP.

One highlight that I particularly loved was the **complimentary late check out**. It allowed us to extend our stay and make the most of our time in Miami without any rush or stress. It's those little touches that make all the difference.

Now, let me tell you about the unique elevator concept at this hotel. Instead of your typical boxy elevator, Mayfair House features a gorgeous glass elevator that overlooks the stunning **beautifully decorated property**. It's like taking a romantic ride through a tropical paradise.

All in all, Mayfair House Hotel & Garden is a top contender for the title of the best hotel in Miami for Couples. With its **clean and spacious rooms, helpful and responsive staff, complimentary late check out**, unique elevator concept, and beautifully decorated property, it's the perfect choice for couples looking for a romantic and unforgettable experience in Miami.
